I think we're running into roadblocks at this time. My best shots tomorrow are 11-12 and 1:15-2:15 EST. (Don, the OW mtg is being cancelled). Failing these times, late afternoon, 6ish, is the other alternative. And if nothing works tomorrow, we can try Friday am, before the calls with Wyoming.

Tomorrow is gruesome looking schedule-wise. We could make 12:30 to 1:30 work if we need an hour, but Howard may not be able to join us for the beginning of it. If you think we can complete a conversation in 30 minutes, then we could start at 1:00...all times MDT.

Boss (aka Don)Any chance of this working?

Any success in lining up a call tomorrow with Ayn et al on technical issues?
